§ 8.2 (SRK) Any cat registered outside FIFe, owned by an exhibitor who is not a member of any FIFe club, need a show license from Suomen Kissaliitto ry (SRK) to be able to participate in shows organized by clubs.

The license, subjective to an individual cat is valid for one calendar year. The price is annually set by the SRK General Assembly.

The Show License can only be admitted to cats which are exhibited by members of the clubs belonging to the World Cat Congress (WCC).

The show license is applied with SRK's Show License application form, available from the secretary of SRK as well as SRK's web site. Instructions for applying the show license are followed when applying for the license.

The show license is processed and admitted by the board of SRK.

Titles achieved by a cat with the SRK show license can be registered to SRK at the owner's will, according to FIFe and SRK rules. In this case the owner must provide the secretary of SRK with copies of judges' reports entitling the cat to the title in question.
